Y40

HIGH-PERFORMANCE, FOLDABLE ON-EAR HEADPHONES WITH UNIVERSAL MIC/REMOTE.

The look and feel of inspirational sound.

AKG-signature sound in a mini-sized headphone featuring a simple and neat style, lasting comfort and forward-thinking functionality.

You demand quality sound performance when it comes to your music. It defines who you are. With the release of AKG Y40s, the advantage is yours - a mini, on-ear headphone offering enhanced sound quality in a smaller package while enhancing your needs for multi-tasking by reinforcing your needs for portability, functionality and overall styling.

From its fold-down, 3D-Axis capacity for travel to its smart, inventive design and surprising levels of comfort, AKG Y40s take you to the next level. While dual, 40mm drivers provide award-winning sound, this smartphone-compatible traveler conveniently adds a one-button remote/mic and a fit which encourages all-day listening. And if it sounds AKG, it also looks AKG with its 3-color options and distinctive branded finish - making a powerful statement that's bound to turn more heads than yours.
